BSP TO HOLD ONLINE RECRUITMENT EVENT FOR JOB SEEKERS

In expanding the number of different ways job seekers can apply for positions in Brunei Shell Petroleum, we are excited to announce our collaboration with the Rigzone Career Center, the leading online website for oil and gas industry job recruitment.

Through this collaboration, BSP will be holding a BSP Online Recruitment Event as part of a worldwide online career event hosted by Rigzone.com, where job candidates can visit a virtual BSP recruitment booth and interact with the BSP recruitment team and line representatives in real time via the web.

Through the BSP Online Recruitment Event, candidates and recruiters can interact with each other in a live, 3-D virtual environment. Recruiters and candidates can conduct live conversations via instant text chat.

The virtual recruitment event will take place on 20th Sept 2012 from 9am - 6pm Brunei Time. Potential candidates are required to register (for free) at www.bsponlinerecruitmentevent.com to be able to participate in the online career event and visit the virtual BSP booths.

BSP's jobs are also currently being advertised at http://rigzone.com/jobs/featured_employer.asp?e_id=1060

As the event takes place online, candidates will only need a computer connected to the Internet to attend. After the 20th Sept event, the online environment will remain accessible for candidates to register their CVs for 30 days.

If you know anyone who may be interested in looking for a job with BSP, do spread the word and pass on this information to them.
