BSP HOLDS TOWN HALL SESSION WITH KEY STAKEHOLDERS

Brunei Shell Petroleum Company Sdn Bhd (BSP) conducted its quarterly community and stakeholders' engagement at the Panaga Club on 28th May 2012 in the Belait District.

The engagement session was led by Shamir Salahudin, Darat Asset Manager of BSP and was attended by over 20 key government officials from various organisations at the district and national level.

"This is a regular engagement where both Brunei Shell and its stakeholders and community come together to share information and to deepen the existing excellent relationship we have. This engagement is also an opportunity to provide business updates to them and share some of our business challenges and issues", Shamir said commenting on the engagement. Kamarul Zainuddin, Darat Operations Manager, shared the Company's stance on safety and the added focus on process safety. He highlighted the role of the New Gas Compressor Plant in Seria and the measures that BSP is taking to ensure its integrity.

This was followed by an update by Haji Samuil Mohiddin, Hydrocarbon Processing Manager on the measures that BSP is taking to remediate its legacy sites in the Belait District.

The audience was also briefed on forthcoming Brunei Shell Joint Ventures Road Safety roadshow on 9 June 2012 at the Seria Community Hall and the Oil and Gas Discovery Centre in Seria. This event, which is organized in collaboration with several government agencies and BSJV's business partners, will be a family event with specific focus on road safety.

ENDS.

Notes to Editors: Brunei Shell Petroleum Company Sdn Bhd (BSP) should be referred as BSP or Brunei Shell Petroleum for abbreviation or headline purposes. Brunei Shell Petroleum Company Sdn Bhd's activity is primarily for the exploration and production of crude oil and natural gas from onshore and offshore fields. The Government of Brunei Darussalam and a company in the Royal Dutch Shell Group of Companies each owns a 50% stake in BSP.
