BSP HOLDS TALK IN CONJUNCTION WITH MAULUDIR RASUL SAW CELEBRATIONS **1436**

In conjunction with the Mauludir Rasul SAW Celebrations1436 in Brunei Darussalam, the Graduate group of Brunei Shell Petroleum Company Sdn Bhd (BSP), GENERATE, held a talk for BSP staffs and KB community at Masjid Utama Pekan Seria tonight.

The talk was conducted by Ustaz Khairul Nazif, a PHD candidate at the Sultan Omar Ali Saifuddien Centre of Islamic Studies (SOASCIS) faculty of UBD.

According to GENERATE, the graduate committee of BSP, the main objective of organising the talk is to support BSP's support to Brunei Darussalam vision as a "Negara Zikir" by encouraging youths and community to be more involved in mosque related activities as it is a place of worship and reflection.

Most importantly, the talk was mainly held for guests to learn about the life story of Prophet Muhammad SAW and his family members as a role-model in all aspects, be it family, leadership, and character.

Present as the Guest of Honour at the event was the Penghulu of Mukim Seria, Hj Jamail Hj Linap. The talk also consisted of an Al-Quran recitation by Abd Qayyum, a Qari from KB, and a five-minute motivational talk by Hj Kamaludin Bin Hj Bungsu, the Deputy Managing Director (DMD) and Human Resources Director of BSP

The Masjid Utama Pekan Seria represents a historic landmark for BSP as it was built in 1954 by what used to be called British Malayan Oil Company (BMP). Over the years, the masjid has gone through several renovations.

For the year 2015, GENERATE aims to support BSP and the Brunei government's aim in preventing and tackling social problems amongst local youth by collaborating with the Masjid Utama Pekan Seria as well as local agencies and NGO's to organise workshops, talks, and activities for the youth.
