EMI Welfare Team, BSP and Kuala Belait 44 X4 TTK donates to less fortunate families at Mukim Labi I and Labi II

The Maintenance and Integrity Department (EMI) Welfare Team under Brunei Shell Petroleum once again conducted their annual charity activities with the cooperation of the Kuala Belait 4x4 TTK Group by conducting charity visits to several families in Mukim Labi 1 and Mukim Labi II on 14th June 2017.

Leading the visit was East Maintenance and Integrity Officer, Hj Muhd Asrul Saniy bin Aarif Lim and East Asset Manager, Paul van den Hemel.

Through this visit, a total of 27 families comprising of the less fortunate in the Mukim of Labi were selected and received donations. Donations consist of basic necessities such as food, clothing and games to ease the family's burden and cheer their mood during the upcoming Hari Raya Aidilfitri celebration. The donation is a result of contributions from staff from the East Asset Department as well as other departments within BSP.

The donation were handed over by East Asset Manager, Paul van den Hemel with his wife.

The EMI Welfare team hopes that such charitable projects will be able to continue with the collaboration of external parties in assisting the poor in this country and who need such assistance.

ENDS.
