NOTIFICATION FOR FISHERMEN AND MARINERS

BGP Inc. will be carrying out a seismic survey in proximity to Champion Field offshore Brunei on behalf of Brunei Shell Petroleum Company Sendirian Berhad from 10th October to 30th November 2020.

A fleet of two vessels will be utilized during the project: BGP Pioneer Survey Vessel and BGP DFKT#3 Supply Vessel.

The BGP Pioneer Survey Vessel will be towing seismic streamer cables 165m wide and 900m long at constant speed of 4.5 knots with restricted maneuverability.

All mariners, fishermen, equipment and vessels are requested to keep well clear of BGP Pioneer and its towed equipment for their own safety.

NOTIS KEPADA NELAYAN DAN PARA PELAUT

Syarikat Minyak Brunei Shell Sendirian Berhad melalui BGP Inc. akan menjalankan kajiselidik seismik di luar pantai berdekatan dengan Champion bermula pada 10hb Oktober hingga 30hb November 2020.

Dua buah kapal iaitu BGP Pioneer Survey Vessel dan BGP DFKT#3 Supply Vessel akan digunakan sepanjang projek tersebut dijalankan dimana kapal-kapal tersebut akan belayar pada kiraan 4.5 Knot bagi menarik kabel seismik berukuran lebih kurang 165m lebar dan 900m panjang.

Bagi tujuan keselamatan kapal dan peralatan seismik, bot-bot nelayan dan para pelaut adalah dinasihatkan supaya menjauhi kawasan kajiselidik dan peralatan yang ditunda.
